

# Areas and number of parking spaces

**TELEMATICALLY RESERVE FROM THE PARK WEBSITE A PARKING SPACE IN ONE OF THE AREAS ENABLED, TWO-THREE DAYS BEFORE YOUR VISIT. (for example: if I want to book to go on Saturday or Sunday, the reservation will have to be made from 12:00 am on Thursday)**

**You must park exclusively in the assigned area.**

**REMEMBER that if you have made the access to the coast before 08:00 am or after 19.30 pm, you must have a parking space reserved equally, and that night parking is not allowed.**
